BUG-001: Product Filter Does Not Return Correct Results When Searching by Specific Model (Lacoste - CASQUETTE, RK0440 T01)

Bug ID: BUG-001
Title: Product Filter Does Not Return Correct Results When Searching by Specific Model (Lacoste - CASQUETTE, RK0440 T01)
Priority: High
Status: Open
Severity: High
Reported By: QA Team
Reported Date: 2025-10-08
Reproducibility: 100%

Environment

- **Device:** LS

- **OS:** Windows 11 Pro Enterprise LTSC

- **Browser:** Chrome Version 141.0.7390.55

Description

Precondition:

#	Action
1	Navigate to the website (*** - online shopping)
2	Search for a specific product model: "RK0440 T01"
3	Open the filter options
4	Navigate to Lacoste - CASQUETTE filter

Expected Result

- Product selection should correctly filter by color picker to show the selected color

Actual Result

- In the color picker, multiple colors are displayed, but when selecting one color, items of other colors also appear
